

IRONMAN 70.3 WACO --- TRAFFIC IMPACT ADVISORY NOTICE

The annual Ironman 70.3 Waco event is set to return on Sunday, Oct. 6. The event, which will attract approximately 7,500 athletes and spectators and will be headquartered at Indian Spring Park. This is the sixth time Waco has hosted the Ironman event. Set-up, equipment deliveries and pre-race road closures in front of the park will begin Monday, Sept. 30.

This year's event will feature the following:

- There will be a single Ironman race, the 70.3-mile event, on Sunday.
- The bike race for the route will travel toward Robinson and turn around in Chilton for an out-and-back course. Routes will not travel in the China Spring area.
 - Routes will not extend past Brazos Park East, along Martin Luther King, Jr. Blvd.
 - The route will travel south along University Parks Dr. and Martin Luther King, Jr. Blvd., La Salle Ave., 12th St. and 4th St.
- An IronKids running race will be held on Saturday. Road closures will be:
 - University Parks Dr. from Franklin Ave. to Washington Ave.
 - Washington Street Bridge

Due to the length of the race routes, impacts to traffic along certain roadways are expected. The event organizers have secured approximately 65 officers to control intersections and ensure traffic proceeds safely and efficiently.

Please find the following list of impacted roads, street closures and access routes on Oct. 6.

Complete Road Closures:

- University Parks Dr./Cameron Park Dr. (Franklin Ave. to Lawson's Point)
- Washington Street Bridge

Timeline of Impacted Roads:

(There will be periodic delays - but not complete closures - along the race route as participants pass through residential areas)

- Sunday delays are expected to begin between 7:30 a.m. and 2 p.m. and will continue until approximately 4 p.m.
- Peak delay times at intersections are between 8 a.m. to 10 a.m. Please allow extra travel time if your itinerary includes locations and places of worship along the route.

Expected Intersection and Road Delays:

(There will be potential delays at the following intersections. Roads will remain open for vehicular access and officers will direct traffic as soon as possible.)
